

# LANCER LEARNING COMMUNITY

COMMUNITY is in the “Heart of Virginia”

Learn together, laugh together, work to make the community  
better...TOGETHER!

Lancer Learning Community-where talent, passion and purpose all come  
together!

Come “Lighten up and Learn with us”

For more information on enrolling and teaching classes go to:  
[go.longwood.edu/llc](http://go.longwood.edu/llc) or contact Cindy Harris at 804-640-5320

# Lancer Learning Community

## What is Lancer Learning Community?

It's the combination of the talents of Prince Edward County residents, Longwood faculty, staff and students, and Farmville merchants into short, inexpensive, fun, informative and social classes which benefit the individual and the economy of our town & county!

## Where do these classes occur?

All over the area! Visit businesses, Longwood campus, golf courses in Chesterfield, restaurants, Moton Museum, Longwood B & B, Prince Edward County School facilities, the 1752 Estate, the Woodland...classes are all over the area!

## What is the cost?

Classes range from \$5.00-\$125.00 and everything in between

## Why should I attend these classes?

Learning is fun! Sharing hobbies and ideas is fun! A portion of the class fee goes back into Prince Edward County! Going to different venues with friends, neighbors and family helps us bond, learn, grow and stimulate the regional economy!
